Hello,

As we all know, Covid-19 has forced many changes for all of us locally and nationally. These changes will seemingly continue for the coming months, which may begin to interfere with the Hales Corners Summer Recreation Program. Our ability to run a safe, healthy, and fun program for our kids is our utmost priority and is in jeopardy at this time. We continue to work through all of our options in an attempt to carry out our summer program as normal, but cannot guarantee our ability to run the program for this year.

In an attempt to prepare for our summer, as we typically would, we would like to open our registration for the summer rec program beginning April 27th. However, this registration period will look different than it has in the past. While our registration forms will still be found online at halescorners.org, under the recreation tab, there will be important changes to take note of and follow.

First, a new form will be included with our emergency card that MUST BE SIGNED AND SUBMITTED when registering. This form lays out important details for our summer program registration, which includes the understanding that Hales Corners is not promising a summer rec program for 2020, nor are we promising the ability to host our prior cap of 200 students.

Second, there will be NO PAYMENT UPFRONT on any registration at this time. When registration forms are returned to the village hall, they will be given a numbered sticker to track our current registration numbers.

Last, all registrations must be completed in full, with reliable phone information. As we approach our start date and have a better sense of what type of program, IF ANY, we can run, we will contact all registered families. Once contacted, you will have 48 hours to pay in full for the summer program or you will lose your place.

Once again, I thank all families for your patience through these difficult times. Again, we are doing our best to run our summer program but cannot guarantee our 2020 summer camp will take place. If there are any questions please call or e-mail Vince Farina at 414-840-4513 or vfarina@halescorners.org. Please stay safe and healthy.

Thank you,

Vince Farina
Hales Corners Summer Recreation Director
